## HAS DONE

### ONGOING

#### GEORGIA POWER

*Part Time Multimedia Design Contractor*

Built and maintained large format interactive displays both at headquarters and elsewhere. Wrote, pitched, designed, and animated videos and interactive pieces. Helped web team with graphics and front end development.

### ONGOING

#### TURNER IMAGE

*Designer, Contract and Temporary*

Built videos, graphics, and multimedia pieces for Cartoon Network, TBS/TNT, truTV, and TCM upfront shows. Built presentation pieces for CNN, HLN, Cartoon Network, [adult swim], & al. Worked with executives in brainstorming ideas for large projects. Developed Turner Presentation Group's intranet site.

### NOV. 2011 – AUG. 2012; JUNE 2013 – FEB. 2014

#### CARTOON NETWORK DIGITAL

*Sr. Interactive Designer, Temporary*

Built interactive pieces and animated graphics for cartoonnetwork.com that told a story at a glance. Pieces included run-of-site elements, microsites, and animated homepage imagery. Designed, coded, animated, and art directed pieces for properties like *Adventure Time*, *Uncle Grandpa*, *Steven Universe*, and *Dragons: Defenders of Berk* – shows with vastly different aesthetics. Also pitched to and prototyped work for show creators.

### AUG. 2012 – JUNE 2013

#### TBS/TNT (TEN) DIGITAL

*Interactive Designer, Temporary*

Designed interactive pieces and graphics for show launches and updates on tbs.com and tnt.tv. Pieces included advertisements, microsites, and full show sites. Designed, prototyped, and pitched pieces for properties like *Sullivan and Son*, *Dallas*, *Falling Skies*, and *Who Gets the Last Laugh*.

### MAY 2007 – MAY 2010

#### USMOTIVATION

*Interactive Designer*

Designed, built, and/or coded animation, motion graphics, email templates, and websites promoting incentive programs, delivering proposals, and selling products for clients like AT&T, Pfizer, Merck, and Shell. Learned and maintained multiple brand standards. Actively helped in decision making, outlining, and brainstorming large projects.

## CAN DO

Art/Creative Direction  
Writing  
Storytelling  
Drawing  
Storyboarding  
Brainstorming  
Typography  
Logo Design  
Motion Graphics  
Web Design  
Front End Development  
Print Design  
UX/UI Design  
Responsive Design  
Video  
Product/Idea Pitching  
3D Animation  
3D Texturing  
3D Modeling

## CAN USE

Mac OS X  
Windows  
MS Office Suite  
Adobe Flash  
Adobe After Effects  
Adobe Illustrator  
Adobe Photoshop  
Adobe InDesign  
Adobe Dreamweaver  
3D Studio MAX  
C4D/Bodypaint  
HTML5  
CSS 3  
BrightSign  
Action/JavaScript  
WordPress
